Dear Sir,

I have been asked by An Bord Pleanála to refer to the above mentioned application.

In order to assist the Board in mapping your application in spatial data format, I would be grateful if you could provide on CD-Rom the 'red line boundary' of the site, as shown on the Site Location Maps:

Project/Drawing Title	Drawing Number
National Paediatric Hospital Project new children's hospital Site Location Map	NPH-A-BDP-PL-00-ST-0001
National Paediatric Hospital Project Davitt Road Compound Site Location Plan	NPH-A-OCMA-DR-XX-DR-0010
Satellite Centres, Tallaght Hospital – Location Plan	TH-HLM-A-DR-XX-Z1-1000
Satellite Centres, Connolly Hospital – Location Plan	CH-HLM-A-DR-XX-Z2-2000

The above-mentioned drawings were submitted to the Board on the 10th August 2015, as an ESRI shapefile in the Irish Transverse Mercator (ITM IRENET95) co-ordinate reference system, for use in Geographical Information Software. The ESRI shapefile should be named PA0043 and should include the following fields:

Field Name	Field Value
GIS_REF	PA0043
Shape	Polygon

If you have any queries in relation to the specific mapping requirements please contact Jane Gilvarry directly at 01-8737121 or j.gilvarry@pleanala.ie; otherwise direct your response to myself (K. Somers).
