The user or recipient of this survey data understands and acknowledges this data
may be inaccurate or contain errors or omissions and the user or recipient
assumes full responsibility for any risks or damages resulting from, arising from,
Although significant care has been exercised to produce surveys that satisfy
survey accuracy standards, these surveys are only as accurate as the source
data from which they were compiled. Although all reasonable steps have been
taken to locate all features visible at the time of the survey, there is no guarantee
that all will be shown on the drawing, as some above ground features may have
obstructed the survey. Wherever possible, areas unable to be surveyed will be
